

## Emirates Rugby Stadium, Dubai, UAE

Project Period: Aug 2007 – Oct 2007  
Capacity: 65.000  
Construction Costs: 120 Mio. €  
Client: Emirates Airlines  
Architect: vision4venue

### Project description:

The Emirates Rugby Stadium was designed to host the annual Dubai Rugby Sevens events. It includes spaces for VIP and business areas including 20 hospitality boxes, VVIP areas and about 200 business seats.

### vision4venue – Part of the Project:

The team member of vision4venue was responsible for the design and conception process as well as the advisor for operational aspects including business plans and operation and management concepts.
